

## *Announcement*

21 July 2020

### **Updated publication date of Audited Financial Statements of Azerion Holding B.V.**

On 26 June 2020 Azerion Holding B.V. (“Azerion” and together with its subsidiaries the “Group”) announced that the audited financial statements will be available by 28<sup>th</sup> July 2020.

The fact that a) our auditor PWC is conducting a first-time year audit and b) Covid-19 has imposed difficulties regarding the execution of the audit testing procedures were reasons for the delay.

As the aforementioned situation persists, and the holiday window has been reached, we expect a potential delay resulting in the audited financial statements of the Group to be made available by 30<sup>th</sup> September 2020.

No other reasons than those mentioned above drive the adjusted publication date. Azerion’s management confirms their assumption that the Group is a going concern and no significant uncertainty exists in this respect.

*This information is information that Azerion Holding B.V. is required to make public pursuant to the EU Market Abuse Regulation and Securities Market Act. This release was submitted for publication on 21 July 2020.*
