

Announcement

26 June 2020

Publication of Audited Financial Statements of Azerion Holding B.V.

Azerion Holding B.V. (“Azerion”), for transparency purposes, would like to inform that the audited financial statements of the Group will not be made available by 30 June 2020. The audited financial statements of the Group will be made available as soon as possible, at the latest by 28 July 2020.

The reason for this delay is a combination of a) our auditor PWC, is conducting a first-time year audit, previously audit was handled by HLB van Daal, and b) Covid-19 has imposed difficulties with regards to execution of the audit testing procedures given the home office and physical distancing restrictions.

As of current, there are no reasons known to Azerion for the reporting delay other than the higher than anticipated workload. We reiterate our expectation to conclude the audit and publish the audited financial statements before 28 July 2020.
